

GPS How to Guides

www.gps-waszp.com

Signing Up/Creating your account

If you have any trouble uploading your track, please send the log to sales@waszp.com and the WASZP team will create an account and log your first track.

If you already have an account you can sign in here, if not click on the 'Sign up now' button at the bottom of the form.

A screenshot of the 'Sign In' page. The page has a dark background. At the top, it says '> Sign In'. Below that, it says 'Sign in with your social account'. There are five buttons for social media: Facebook, Microsoft account, Twitter, G+, and LinkedIn. Below these is an 'OR' separator. Underneath, it says 'Sign in with your existing account'. There are two input fields: 'Email Address' with the value 'marc@kasal.com' and 'Password' with a masked password. There is a 'Sign In' button and a link that says 'Don't have an account? Sign up now'. A red box highlights the 'Sign in with your existing account' section.

You will then be directed to the form, fill it in and then click on the 'send verification code' button to receive a code via your e-mail.

A screenshot of the 'Create account' page. The page has a dark background. On the left, there are several input fields: 'Email Address', 'New Password', 'Confirm New Password', 'User Name', and 'Surname'. There are 'Cancel' and 'Create' buttons at the bottom. On the right, there is a 'Flag' section with some text and a 'Send verification code' button. The text in the 'Flag' section is partially obscured but appears to be a warning or instruction.

Insert your code and then click the 'verify code' button.

Help

Please click 'Sign up' if you don't have an account yet. After sign up you have to complete your user information profile and after that you are ready to start sailing.

You can sign in with your existing ClubSailing account using your email address and password.

You can also link your existing ClubSailing account with a social account if you use this for sign in. Before you do this make sure that your social registered with your social account in the same as at ClubSailing and use the same given name and surname during sign up for your social identity.

If you get redirected to your ClubSailing profile page, please update the profile and start sailing.

You can then fill in all your personal details including your 'home spot', weight and height. This data is really great to compare your statistics with other sailors and improve your sailing

Posting a Session

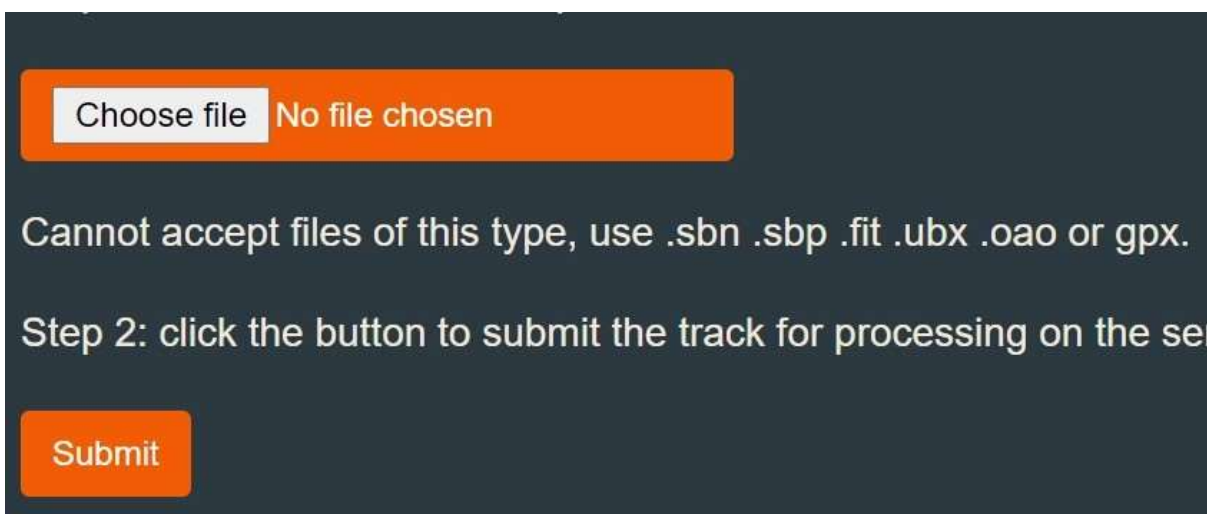

Click on the 'sessions' dropdown menu and click 'upload track' to start uploading your session

Then you can upload your track by dragging and dropping it into the 'choose file' box, alternatively click the 'choose file' box and select your file, then click submit.

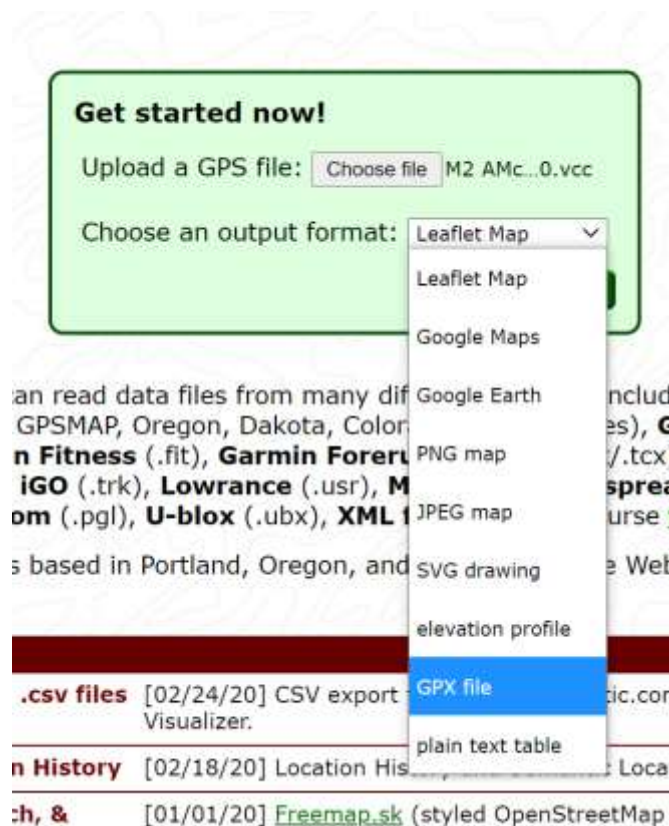

If your file doesn't load it might be in the wrong format. This message will then appear.

If this is the case, you can head to the GPS track conversion website <https://www.gpsvisualizer.com/> and convert your file to a .GPX file in the dropdown box., then click the 'map it' button.

Then upload your track file to the 'Choose File' box and select GPX file from the dropdown menu.

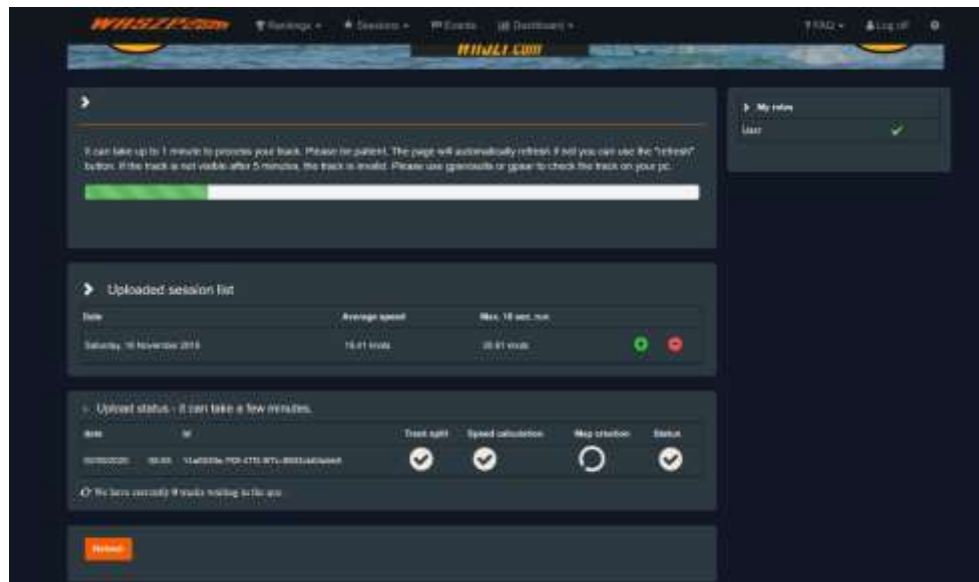

Then all you do is click on the 'click to download' button and your GPX file will be downloaded and ready to be uploaded to www.gps-waszp.com

GPS Visualizer output

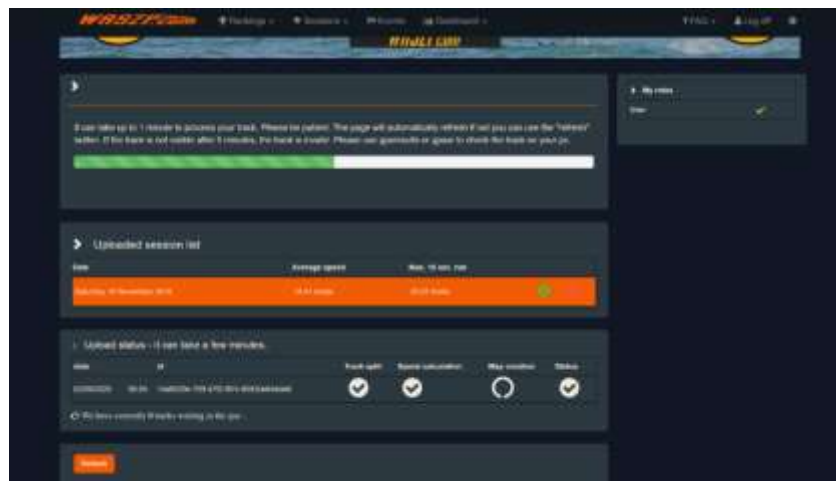

Your data has been converted to GPX. If something doesn't look like you expected it to, please [send an email to bugs-10+20200907195313-05220@gpsvisualizer.com](mailto:bugs-10+20200907195313-05220@gpsvisualizer.com). Right-click on the [following link](#) to download the file to your hard drive; you may want to give it a more sensible name.
[Click to download 20200907195313-05220-data.gpx](#)

Head back and upload your track.

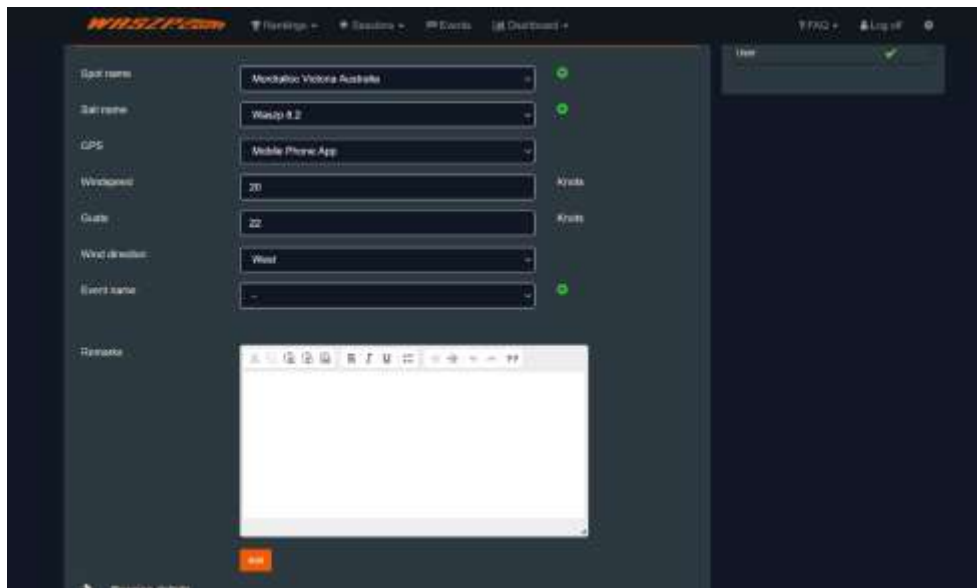

When the GPS file has been accepted it will take you to this screen as it uploads.

Once you get a tick under the 'status' column. Click on the + button on the track file.

Add some context to your session. Add your spot, your gear and the wind conditions. When you have subscribed to an event you can add that session to your chosen event using the event name dropdown box located at the bottom of the form.

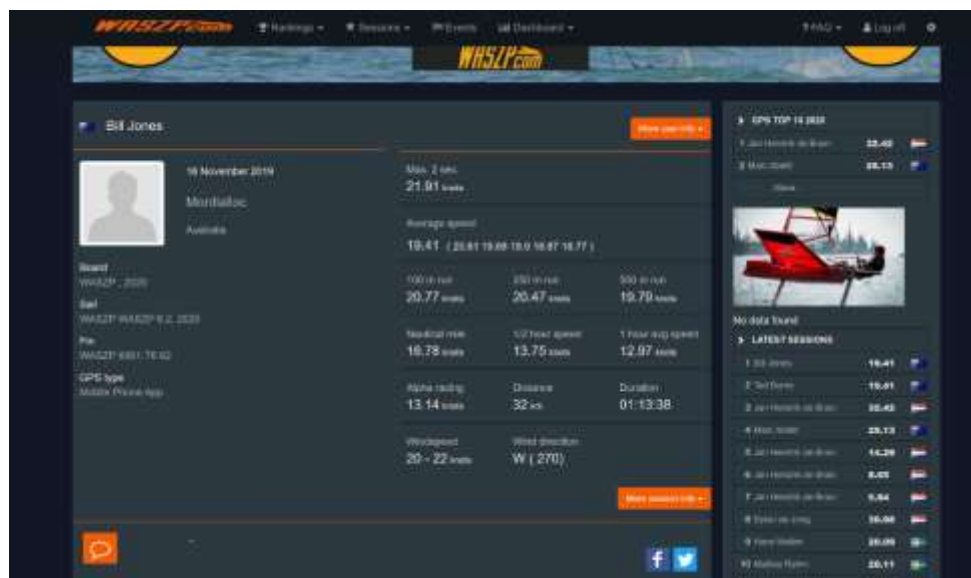

The screenshot shows the WWSLP.com session creation form. The form includes the following fields:

- Spot name: Montebelo Victoria Australia
- Sal name: WWSLP #2
- GPS: Mobile Phone App
- Wind speed: 20 Knots
- Gust: 22 Knots
- Wind direction: West
- Event name: -

There is a 'Remote' section with a video player and a 'Save' button at the bottom.

Then you can see your session and have a look at all the vital statistics from your session. If you want to access more data you can subscribe to the PREMIUM membership.

The screenshot shows the WWSLP.com session details page for Bill Jones. The page includes the following information:

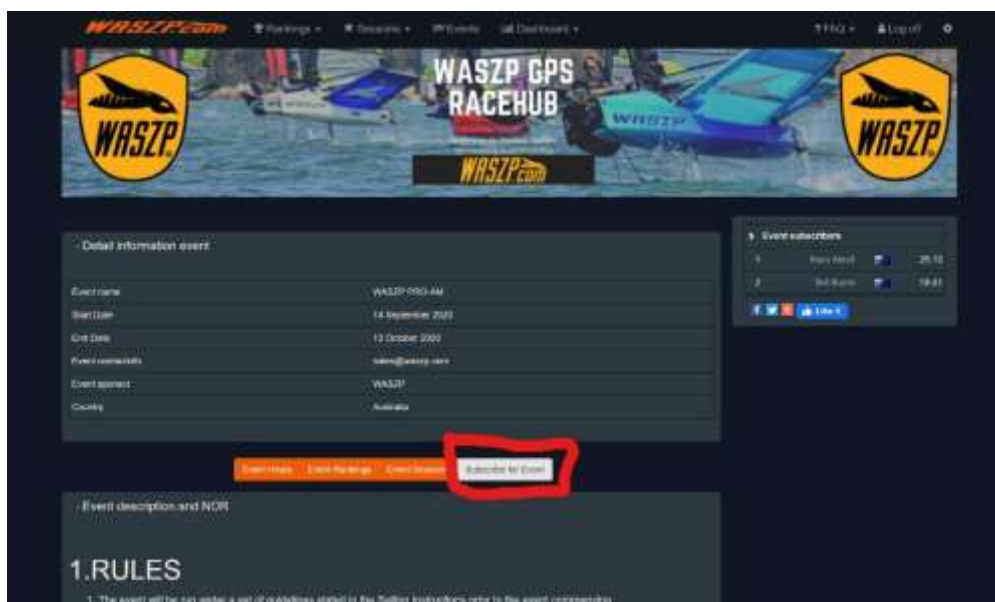

- User Profile:** Bill Jones, 16 November 2019, Montebelo, Australia.

How do I register for an event??

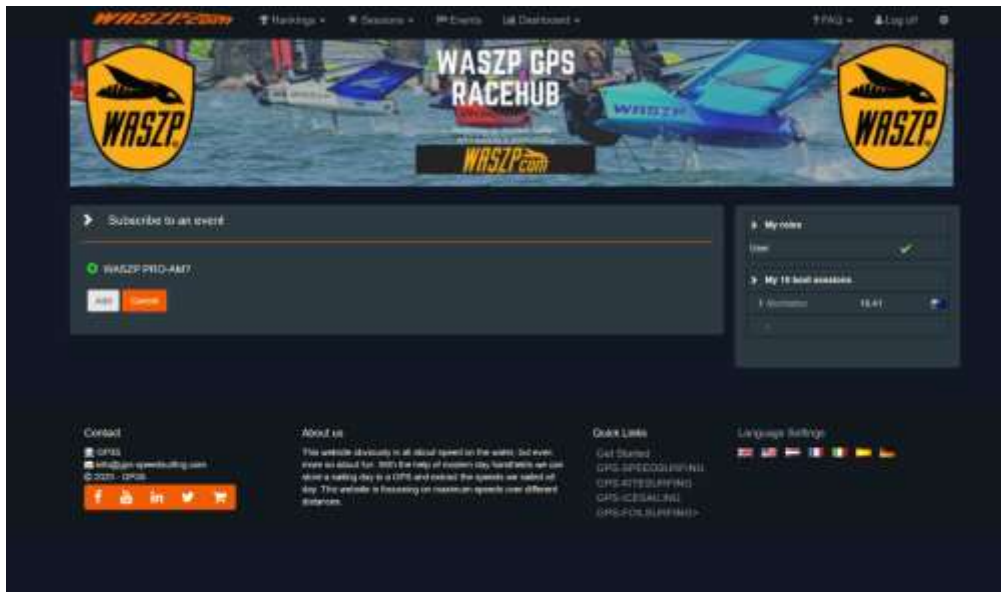

If you want to register for a selected event. Click on the drop 'EVENTS' tab on the menu bar and click on the event of choice. In this case WASZP PRO-AM.

Once you select the Event, you click on the 'Subscribe to the event' and it will add it to your profile.

Finalise the process by clicking ADD and you are finished.

Once you have completed this process, your Event will be added to your profile. When you next go to add a session or track, you may select that event from the dropdown menu.
